

Medical University of Warsaw

About University

The Medical University of Warsaw (MUW) is one of the oldest medical schools in Poland. For over 200 years it has provided education and training in medicine and pharmacy at undergraduate and postgraduate levels. MUW's programs meet the highest international standards of university-level education and are based on the principles of good clinical and pharmaceutical practice. The academic staff of the Medical University of Warsaw are recognized nationally and internationally for their contributions to the research and practice in medicine. Many of them hold the prestigious posts of National Medical Consultants.

The Medical University of Warsaw provides general and specialty training at both undergraduate and postgraduate levels. Students learn at our six clinical teaching hospitals who provide general and tertiary medical care to patients.
