## About University

The Dhaka National Medical College inherits her glorious predecessor the Dhaka National Medical Institute, which was established in 1925 as a part of Non-cooperation movement of the Indian Sub-continent against the British colonial rule, organized jointly by the Indian National Congress and the Indian Muslim League under the Leadership of Mahatma Gandhi, Mawlana Muhamma Ali and Mawlana Sawkat.

Along with other programs the Non-cooperation movement urged upon the People of the sub-continent to boycott educational institutions established and administered by British Govt. and to establish National Schools, Colleges and Institutes for modern scientific education by the local people themselves.
