

## About University

The University of Rzeszów was officially established in 2001, combining several older institutions. Nowadays, the university is hosting more than 22,000 students in 10 faculties. It is located in the largest city of Southeastern Poland - Rzeszow. The city is situated on both sides of the Wislok River in the Sandomierz Basin. The town received its city rights and privileges 7 centuries ago in 1354 by Casimir III the Great. Being a tremendous historical heritage, the city has more than 180,000 citizens and is home to some of Poland's best universities. If you are deep into studying medicine abroad in English, the University of Rzeszów is one of the best choices you can make. This medical school offers a 6-year M.D. course thoroughly taught in English. Students have practical classes in local hospitals with more than 6,000 professionals cooperating with the faculty.

## Prepare for Medical PG in UK while pursuing MBBS in Poland

### BENEFITS OF RESIDENCY IN UK

The process of applying for specialty training (residency) in the UK is known as specialty recruitment or national recruitment and can be thought of as similar to "the match" in the 'US. If you want to work as a doctor in the UK, then you'll need to be registered with the General Medical Council (GMC). PLAB exam has 2 components: PLAB 1 which is a written test, and PLAB 2 which is a practical test. Fortunately with the right preparation, PLAB is a very manageable exam and there are good pass rates which are increasing year on year. In 2024, PLAB will be replaced by the UKMLA which will be required for both UK graduates and non-EU graduates. The best first job for most international doctors starting out in the UK, is as an employed non-training junior grade doctor in an NHS hospital. MOKSH Offers Online Coaching for PLAB 1 exam. The MOKSH Qbank is intensive and with most clinically oriented questions helping student develop their diagnostic skills.

## Prepare for Medical PG in Germany while pursuing MBBS in Poland

### BENEFITS OF RESIDENCY IN GERMANY

Germany is the strongest economy of Europe and is able to allocate huge funds to the healthcare sector for their non growing population. The quality of life is one of the best among European countries. They have allocated 10% reserved PG seats for international medical graduates. Germany recognizes MCI approved degrees and licenses making it easier for the Indian doctors to have a transition from India to Germany. Further, learning German language is far more easier for Indians who studied in English since the alphabets are same. MOKSH conducts on-line A1, A2 and B1 level German language coaching classes so that you can be ready for German program.
