

About University **Private University**

The College of Medical Sciences is a medical center in Bharatpur Chitwan, Nepal. It enrolls about 100 students in the MBBS degree course each year. The private center is affiliated with Kathmandu University Nepal, and is fully recognized by the Nepal Medical Council.

Located in the heart of Nepal, the center prides itself on its state of the art infrastructure, world-class architecture, and educated and knowledgeable staff. Of the 100 registered students, 20% of the students were nominated by the Nepalese government. All the other students paid for themselves. Nepalese-funded students are selected by Kathmandu University's Medical Entrance Examination competition.

Prepare for Medical PG in Germany while pursuing MBBS in Nepal

BENEFITS OF RESIDENCY IN GERMANY

Germany is the strongest economy of Europe and is able to allocate huge funds to the healthcare sector for their non growing population. The quality of life is one of the best among European countries. They have allocated 10% reserved PG seats for international medical graduates. Germany recognizes MCI approved degrees and licenses making it easier for the Indian doctors to have a transition from India to Germany.

Further, learning German language is far more easier for Indians who studied in English since the alphabets are same. MOKSH conducts on-line A1, A2 and B1 level German language coaching classes so that you can be ready for German program.
