

Kabardino – Balkarian State University

About University

Kabardino Balkarian State University is one of the best medical Universities in Russia. Kabardino Balkarian State Medical University was established in 1957 and it was located in the city of Nalchik, Russia. The university has more than 65+ years of experience in the medical field and is playing a very important role in medical science education and training of medical students and scientists. In today's world, Kabardino Balkarian State Medical University is very famous for its best medical scientific works, informational, cultural, social medical institute globally due to large scale clinical research, laboratory base, highly educated teaching faculty and so on.

Though, the 1st year MBBS students will learn about the basics. The second year students get the opportunity to have hands-on experience through clinical trials in affiliated hospitals and clinics which will be more helpful for the medical students. The hospitals are always full so the students will have plenty of work to do to learn. The National Medical Council (NMC) approved list also includes Kabardino Balkarian State University and to study here, Indian students must qualify National Eligibility cum Entrance Test (NEET).
